Paris Photo is the Largest International Art Fair dedicated to the Photographic Medium and is held each November in the Heart of Paris. Since 1997, the Fair's Mission is to promote and nurture Photographic Creation and the Galleries, Publishers and Artists at its Source.

Paris Photo brings together up to 200 Exhibitors from across the World, offering Collectors and Enthusiasts the most Diverse and Qualitative Presentation of Photography-Driven Projects today. Leading Galleries showcase Historical and Contemporary Artworks from Modern Masters to Young Talents.

Specialized Publishers and Art Book Dealers present Unique and Rare Editions, as well as Book Launches and Signature Sessions with many of today's most Renowned Artists.

Paris Photo also provides Visitors with First-Hand Insights and Access to the Art World. Programming includes Curated Exhibitions with Renowned Public and Private Institutions, Awards, Conversation Cycles with Curators, Artists, Collectors, and Critics, and Special Events exploring the Unique History of the Medium; varying Visions, Practices and Emerging Trends.

In addition, the Fair's "In Paris during Paris Photo" Programme reunites a Dense Network of Cultural Institutions throughout Paris comprising some of the most Historically Rich Photographic Collections in the World.

Founded in 1997, the Fair is held annually in November at the Historic Grand Palais in Paris. It reassembles over 180 of the most Prestigious Galleries and specialized Book Dealers from across the World and offers the Widest Selection of Historic, Modern and Contemporary Art Works. Public Programming for the Fair includes Major Exhibitions, Talks, and Events with many of the Greatest Names in Photography.

Paris Photo Exhibitors are selected by an International Committee of Renowned Gallerist and Publishers in accordance with the Quality and the Originality of each Submitted Project with a Particular Attention given to the Diversity of Expression and the Relevance of the Proposed Installations presented in each Application.
